

### REMARKS

Applicants submit this Supplemental Amendment and Response to supplement the Amendment and Response filed on April 28, 2008. Claims 19, 36, and 53 have been amended without intending to abandon or to dedicate to the public any patentable subject matter. Accordingly, Claims 19-68 are currently pending in the application.

Applicants would also like to thank the Examiner for courtesies extended on June 26, 2008, during which Applicants' representative and the Examiner discussed the prior art currently being cited against the claimed invention. The Interview Summary mailed on July 11, 2008, accurately reflects the contents of said discussion.

Based upon the foregoing, Applicant believes that all pending claims are in condition for allowance and such disposition is respectfully requested. In the event that a telephone conversation would further prosecution and/or expedite allowance, the Examiner is invited to contact the undersigned.

Respectfully submitted,

Date: July 16, 2008
